Love the mug + saucer. Product looks of very nice quality and durability. The mugs are pretty big and can fit over 10 oz of coffee. I love the saucer plate as u can put a pastry next to the mug and enjoy a wholesome cafe experience. The handles have the right curves and make it very easy to hold.

Although one mug was broken when received & was replaced the mugs & saucers were nice to look at & a good weight to handle.

The box they were in was marked fragile but placed in a bigger box that was not marked fragile.
